DAN MCKINNEY ADVENTURE CLUBS

EXPLORE. CONNECT. GROW TOGETHER.

Adventure Clubs at the YMCA are more than just weekend getaways—they're opportunities for families to build stronger bonds and lifelong memories. Designed for parents and their children ages 5–17, this unique program blends outdoor adventure with meaningful connection.

Once you join a club, you will be able to register for monthly campouts and activities.

ADVENTURE CLUBS OFFER...

Each season runs from September through June (excluding December), with monthly events that spark curiosity, confidence and connection. Families can join anytime during the season.
