TESTIMONIAL

"The YMCA has helped develop Lily into the incredible young lady she is today. She has been on the gymnastics team since the age of 5. The YMCA has been a real extension of our family helping her to be the best person she can be. They stood by her through difficult times, including the loss of her brother and a season-ending injury in which she broke both arms. Lily still attended practice to be around the outstanding coaches, her teammates and the sport she loves. With their love and support, Lily was able to compete in Nationals last season. Through the Y scholarship program, the YMCA has helped our family ensure Lily can continue participating in opportunities she loves that promote her growth and provide a positive place to belong.."

CREATING HEALTH EQUITY

We provide life-saving swim lessons for youth and adults allowing them to feel comfortable and safe around all bodies of water.

SUPPORTING WELL-BEING

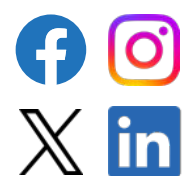

In our Expanded Learning Program (ELP), free after school care is provided for children of low-income families funded by the Escondido Union School District.

POSITIVE YOUTH DEVELOPMENT

We inspire confidence, resilience, curiosity and growth for all youth in gymnastics, overnight camp, swim lessons and youth leadership opportunities.

STORY OF IMPACT

"I went to Camp Raintree over the summer. It was super fun. I got to meet new people and make new friends. We also got to ride horses and go hiking on some trails. We made campfires where we got to make smores. Those were some of my favorite things. The staff were also super helpful, and they were always there when we needed them. I am glad I was able to go because I experienced some things I have never done before."
