TESTIMONIAL

"I want to express my heartfelt gratitude for the incredible impact the LIVESTRONG program has had on my recovery. Chemotherapy left me extremely weak, and while I hoped to slowly regain strength afterward, I truly believe I wouldn't feel this empowered, physically or mentally, without LIVESTRONG.

This program is transformative. Thanks to the YMCA team, I regained not only strength but confidence and resilience. I enthusiastically recommend it to anyone facing treatment or recovery.

I first learned about LIVESTRONG when I was newly diagnosed, and waiting until after chemotherapy was the best decision, it allowed me to fully benefit at the moment I needed it most.

Thank you for providing such life-changing support. I am deeply, sincerely grateful.

STORY OF IMPACT

I'm a mother of two incredible boys on the autism spectrum. Like so many parents, I've carried the quiet worry of wanting my children to feel safe, understood, and welcomed for exactly who they are. Then we found the YMCA, and everything shifted. From the moment we walked in, my boys, who often struggle in new environments, felt at ease. The child watch staff became their safe place, and the no-cost inclusion aide in gymnastics was a gift I hadn't even known how to ask for. I've watched my children make friends, gain confidence, and feel like they truly belong. And the Y gave me something precious too, a place to breathe, to care for myself, and to feel supported. For us, the Y isn't just a building. It's home
