TESTIMONIAL

Our home is in Sierra Madre CA, and we experienced the impact of the Eaton Fires. Last year, a wonderful donor gave students from our area the opportunity to attend a week at Surf Camp in San Diego. Eva had never surfed before, so this sounded like a new learning adventure. Fortunately, the YMCA accepted our application to the program. The kids had a wonderful week making new friends and making lasting memories. All they've talked about is returning.

CREATING HEALTH EQUITY

753

Youth Scholarships

were awarded to military families this summer, ensuring every child could experience connection, independence, and the magic of camp.

SUPPORTING MENTAL HEALTH

INVESTING IN OUR COMMUNITY YMCA OVERNIGHT CAMPS

Through generous donations to our Annual Campaign, we are able to give every individual the Y experience, regardless of their ability to pay.

When you give to the Y, you are making an investment in our community and giving those in need the opportunity to thrive.

**ACCESS
FOR ALL**

Each year, more families request financial assistance for Overnight Camps as the cost of living rises. Without donor support, many campers would miss out on a life-changing week filled with adventure, friendship, and growth.

Over
5,000
scholarship and subsidies
were provided to families,
teens and children
who needed camp most.

STORY OF IMPACT

This was my daughter's first experience ever being fully away from family. She is typically a very outgoing person, but she was so scared to be dropped off and be "alone" for a week. We eagerly waited for photos every day and watched as her confidence noticeably grew in the week at Raintree Ranch. Though she was thoroughly covered in dirt on the day we picked her up, she shined with a new confidence we had never seen in her before. That confidence followed her home and is shown in everything she takes on.

Thank you, Don B
