TESTIMONIAL

The Rancho Family YMCA gave our family the stability, support, and sense of belonging we had been searching for. As foreigners and parents of a child with special needs, seeing both children thrive socially and emotionally means everything to us. We are deeply thankful for the YMCA's commitment to inclusion.

STORY OF IMPACT

My name is Ilana, I've been a previous member of the Y, and recently rejoined with the availability of the changes of my insurance back to Silver and Fit! I joined several years ago, and when I left for a few months I missed the fellowship and extensive opportunities of health enhancements offered by the Y! So you can imagine how I'm relieved and happy to rejoin my routine that was so appreciated with my prior experience with the Y!

I'm now looking forward to growing with the new opportunities available at the Y!
