TESTIMONIAL

"I went to Camp Raintree over the summer. It was super fun. I got to meet new people and make new friends. We also got to ride horses and go hiking on some trails. We made campfires where we got to make s'mores. Those were some of my favorite things. The staff were also super helpful, and they were always there when we needed them. I am glad I was able to go because I experienced some things I have never done before."

STORY OF IMPACT

"I am the mother of two amazing girls who, without the YMCA, wouldn't have experienced essential life skills like teamwork, discipline, resilience, communication, confidence, and commitment. My oldest adapts easily, but my youngest — who is on the spectrum — has always struggled to find her place, which kept us from signing her up for activities. Programs are also costly, but with the Y's help we were able to register both girls. They've enjoyed dance, flag football, and nearly a year of volleyball. The growth in my youngest has been incredible; you wouldn't recognize her from when she first started. This program opened a whole new passion for her, and I can't thank you enough. We are so grateful for programs like this that support families like ours and help build a strong foundation for our youth. And a BIG thank you to the staff and coaches at Border View YMCA — you're making a huge difference in our kids' lives!"
