**TESTIMONIAL**

"I want to sincerely thank the Border View YMCA for being such a vital part of this journey. Your gym provided not just the equipment and space, but an environment that felt welcoming, motivating, and empowering every time I walked through the doors.

I utilized the gym regularly and committed to a routine that allowed me to push beyond limits I once thought were impossible. What I found at your YMCA was more than just machines and weights, it was a supportive atmosphere that inspired consistency and growth, and now I make it a personal mission to help and assist others along their journey.

I share my testimony to encourage others: if I can do it, they can too. With faith, self-belief, and a strong support system like the one I found at Border View YMCA, achieving a healthier and more fulfilling lifestyle is possible."

### STORY OF IMPACT

"I am the mother of two amazing girls who, without the YMCA, wouldn't have experienced essential life skills like teamwork, discipline, resilience, communication, confidence, and commitment. My oldest adapts easily, but my youngest—who is on the spectrum—has always struggled to find her place, which kept us from signing her up for activities. Programs are also costly, but with the Y's help we were able to register both girls. They've enjoyed dance, flag football, and nearly a year of volleyball. The growth in my youngest has been incredible; you wouldn't recognize her from when she first started. This program opened a whole new passion for her, and I can't thank you enough. We are so grateful for programs like this that support families like ours and help build a strong foundation for our youth. And a BIG thank you to the staff and coaches at Border View YMCA—you're making a huge difference in our kids' lives!"
