**TESTIMONIAL**

"I'm incredibly grateful for the family scholarship that allowed us to join the YMCA. A few years ago, I went through major medical challenges and surgery, and even simple physical activity felt impossible. When I first walked into the Y, I could only last about five minutes on the treadmill before I had to stop. But with a lot of perseverance—and the constant encouragement from the Y community—I've slowly rebuilt my strength. Now I can stay on the treadmill and keep improving, something I never thought I'd say. Our whole family of seven is part of the Y: my husband comes 3-4 times/week and has taken up hiking and ALL of my children have become active at the Y and now run competitively together.

This Thanksgiving we completed a 5K together, hiking down Airo Mountain together. I finished in about 35 minutes, and my daughter followed close behind. We're so proud—and we're training to run a marathon together in 2026!"

## STORY OF IMPACT

"We wanted to thank you for your hard work with the youth programs at the South Bay YMCA these last couple of months. Ulysses has enjoyed both the baseball and basketball sessions, but we have seen enormous growth in basketball. He not only enjoys it but seems so dedicated to improving. It was so rewarding for all of us to see his progress this weekend when he finally homed in his shot. Below are a couple of quotes that I wanted to share from him.

'My arms were so tired  
but I'm glad I kept going!'

'I think I'm way  
better now!'

'I think I can beat  
you now.'

And ever since basketball started we constantly hear, 'Can we go to the park and play basketball.'  
The lesson of perseverance is invaluable. Thank you both for your enthusiasm and dedication."
